	3D Tetris Puzzle Toy	Nikki0017	A 3D twist on classic Tetris, this puzzle toy challenges kids to strategically place colorful transparent blocks to clear rows. It builds spatial reasoning, strategic thinking, and focus while refining fine motor skills. Supports multiplayer battles, turning cognitive training into competitive fun for young learners.
	Christmas Building Blocks Set	Nikki0018	A festive STEM construction toy featuring Christmas-themed models (gingerbread houses, Christmas trees, reindeer sleighs, etc.). Kids build with small bricks to develop spatial awareness, fine motor skills, and patience, while learning holiday culture and storytelling. Available in multiple sets with optional light-up decor, perfect for creative play and gifting.
	Dinosaur Montessori Pull String Toy	Nikki0019	This versatile sensory toy for babies comes with pull strings, rotating rings, and popping bubbles, activating full sensory engagement. It supports skill development in hand coordination and cognitive awareness through simple, intuitive interactions. The cute dinosaur design and causal-play feature make it perfect for fostering early learning and exploration.
	Doctor Pretend Play Set	Nikki0020	Step into the role of a doctor with this pretend play set! Kids simulate checkups and dental care to ease medical anxiety, learn social norms, and practice communication. Using stethoscopes and toothbrushes nurtures fine motor skills and empathy, making it a fun early learning tool.
	Electric Universal Deformation Motorcycle	Nikki0021	Electric universal deformation motorcycle with automatic obstacle avoidance. It develops spatial awareness and fine motor skills, while cool lights and sounds make learning fun. A great interactive toy for curious young minds.
	Folding Phone Shaped Water Gun	Nikki0022	Foldable phone-shaped water gun: compact, portable, and fun for summer water play. It boosts social interaction and fine motor skills, making it a great outdoor toy for kids.
	Engineering Vehicle Children's Plush Backpack	Nikki0023	This plush kids' backpack with fun engineering vehicle designs (fire truck, excavator, submarine) teaches vehicle and color recognition, while encouraging self-care through independent packing. Soft, lightweight, and adjustable straps offer comfortable carrying for little ones.

	Sika Deer-shaped Snow Mold Clip	Nikki0024	Sika deer-shaped snow mold clip lets kids easily create 3D deer snow figures, turning winter play into a fun creative activity. It refines fine motor skills while teaching color and animal recognition.
	Kids Pickleball Racket Set	Nikki0025	Features a cute smiley-face design, perfect for introducing little ones to racket sports. It builds hand-eye coordination, physical stamina, and social skills through interactive play. The lightweight, non-slip grip and safe, rounded edges ensure comfortable, secure handling for players, making it ideal for outdoor family fun and early sports development.
	Water Bird Whistle Toy	Nikki0026	This upgraded water bird whistle toy produces clear bird calls when filled with water, with varying tones from different water levels to nurture early musical sense. It refines fine motor skills and teaches cause-effect logic through play. The cute transparent bird design and safe, portable build make it ideal for sensory development and soothing play for little ones.
