	Glow-in-the-Dark Flying Disc	Nikki0034	Soft and safe glow-in-the-dark flying disc made from lightweight, durable material. Absorbs ambient light and glows steadily in the dark, perfect for evening outdoor play. Features a rounded, smooth edge that won't hurt when caught, suitable for children aged 3+. Designed for easy backspin and stable return flight, ideal for parent-child games, kindergarten activities, and outdoor parties. Comes in multiple glowing colors (white, red, green), each 20 cm in diameter. Promotes hand-eye coordination, gross motor skills, and active outdoor play.
	Boomerang Glow-in-the-Dark Flying Disc	Nikki0035	Soft and safe three-blade boomerang disc that glows in the dark. Lightweight with a rounded, flexible edge that won't hurt when caught. Designed for stable flight and easy return, perfect for evening outdoor play, camping, and parent-child games. Available in multiple glow colors (blue, yellow, green, red, orange).
	Soft Cartoon Flying Disc	Nikki0036	Soft and safe silicone flying disc with cute cartoon patterns (deer, space, rabbit). Lightweight with a flexible, rounded edge that won't hurt when caught. Designed for easy throw and stable flight, perfect for parent-child games, kindergarten, and outdoor sports. Available in multiple colors, each about 20 cm in diameter.
	Smart Counting Jump Rope for Adults & Kids	Nikki0037	Dual-purpose jump rope with smart electronic counting function, suitable for both rope and cordless modes. Features weighted balls (60mm) for added resistance, helping build strength and endurance. Made of durable materials with a comfortable non-slip handle. LCD screen displays time, count, and calories burned. Available in multiple colors (blue, green, pink, purple, yellow, etc.) with storage bag included. Perfect for home fitness, school sports, and daily exercise.
	Bamboo Joint Jump Rope	Nikki0038	Soft bead-style bamboo joint jump rope designed specifically for young children and beginners. Adjustable length to fit different heights, with a signature section for writing class and name. Lightweight, tangle-resistant, and durable for daily school and home use. Available in multiple colors (blue, green, pink, purple) with regular or name-label options. Helps improve coordination, balance, and gross motor skills. Perfect for kindergarten, elementary school, and family exercise.
	Kids Play Tent	Nikki0039	Cozy play tent for children, suitable for indoor and outdoor use. Mongolian yurt-style design with breathable fabric and stable structure. Easy to set up and fold away, no tools required. Perfect for reading, playing house, or creating a private little castle. Available in multiple colors (pink, gray, beige, khaki, light purple, printed yellow, printed navy). Designed for kids aged 3+, helping spark imagination and independent play.

 CHILDREN'S TENT HOUSE -NO BUILDING-	Pop-Up Play Tent	Nikki0040	Instant pop-up kids' tent that opens in seconds, no assembly required. Lightweight and foldable, easy to carry for indoor, outdoor, or travel use. Perfect as a play house, nap house, or ball pit (available with 50 ocean balls or 60 building blocks). Made of breathable fabric with stable structure, suitable for boys and girls aged 2+. Available in multiple color combinations (orange-green, yellow-blue, purple-yellow, etc.) with various packaging options (OPP bag, card bag, cloth bag, PVC bag, or gift box). Encourages imaginative play and provides a private little castle for kids.
