 A collection of press-on nails with a silver-black palette. The designs include 3D heart and butterfly motifs. The text 'Geometric Metal Tips' is visible on the display card.	3D Butterfly Heart-shaped Press On Nails	B1SC065	These press-on nails feature a sleek silver-black palette with 3D heart and butterfly details that add real depth and texture. The raised designs give them a crafted, dimensional look without feeling over-the-top. Easy to apply and comfortable to wear, they offer an affordable way to get that cool, polished style without the salon visit.
 A collection of press-on nails with a cool blue base and soft pink accents. The designs include floral and droplet patterns.	Blue Flower Press On Nails	B1SC066	These press-on nails combine cool blue with soft pink accents, creating a refreshing contrast that's perfect for summer. Floral and droplet patterns add a light, playful touch, while the color palette feels like a cool breeze on a hot day. Easy to wear and effortless to style, they bring a fresh, vibrant look to any warm-weather outfit.
 A collection of press-on nails with a deep burgundy base. The designs include 3D floral details. The text 'Nail Art' and 'Thank you for your order. I hope you like it.' are visible on the display card.	Red 3D Flower Press On Nails	B1SC067	These deep burgundy press-on nails are a flattering choice that makes hands look visibly fairer. The 3D floral details add a refined, elevated touch without being too flashy—perfect for a wedding look. Wear them beyond the big day too; they pair effortlessly with everyday outfits and instantly become the standout detail of any style.
 A collection of press-on nails with a bold red leopard-print base topped with gold three-dimensional flowers.	Golden-toned 3D Flower Press-On Nails	B1SC068	These press-on nails feature a bold red leopard-print base topped with gold three-dimensional flowers for a luxurious, eye-catching look. The rich color combination adds a touch of opulence that instantly elevates any outfit. Perfect for parties and special occasions, they make a confident style statement without trying too hard.
 A collection of press-on nails with a mix of black, white, and silver tones. The designs include clean, classic lines and star motifs.	Punk-style Press-On Nails	B1SC069	These press-on nails bring an edgy punk vibe with a striking mix of black, white, and silver tones. Clean, classic lines keep the look sharp and modern without being overly complicated. If you're after something cool and bold, this is the perfect pick to complete your style.
 A collection of press-on nails in a gentle nude shade. The designs include delicate shell and wave accents.	Bare Color Ocean-themed Press-On Nails	B1SC070	These press-on nails in a gentle nude shade are adorned with delicate shell and wave accents, bringing a touch of the ocean right to your fingertips. The soft, natural tone keeps the look subtle and elegant, while the marine-inspired details add a dreamy, breezy feel. Perfect for anyone who loves a calm, romantic style that's both understated and special.
