	24-Link Decompression Fidget Chain Toy	Nikki0078	This decompression toy consists of 24 connected plastic segments with smooth bends that support free twisting and folding into all kinds of shapes. Mixed vivid color matching brings a fresh visual experience, and burr-free plastic material ensures safe touch for both kids and adults. The flexible chain effectively relieves anxiety, restlessness and mental pressure during study, work or long trips.
	Blobfish Stress Relief Squishy Toy	Nikki0079	Soft elastic silicone makes up this blobfish decompression toy with lifelike fish modeling. Slow rebound texture brings comfortable squeezing experience to ease stress and anxiety for kids and adults. Mini lightweight design is easy to carry around, perfect as trendy fidget toy, funny novelty gift and small giveaway present.
	Ice Cube Squishy Stress Relief Toy	Nikki0080	These ice cube-shaped decompression toys feature translucent elastic outer shells and come in a variety of bright gradient colors. The rounded-corner design removes sharp edges to ensure safe touch and squeezing. Slow-rebound texture delivers a satisfying kneading experience to ease anxiety and fatigue for kids and adults alike. Compact and lightweight, the toys can be easily carried in pockets.
	Seashell Cube Squishy Stress Relief Toy	Nikki0081	Multiple size options ranging from 3cm to 5.5cm are provided for these transparent cube fidget toys filled with mini seashell ornaments and glitter star sequins. Flexible slow-rebound material brings gentle tactile feedback when squeezed, effectively easing anxiety and mental fatigue during study and work. Every toy is separately sealed in an OPP bag for neat storage and easy carrying. Exquisite marine style design fits well as sensory decompression gadgets
	Cheese Block Squishy Stress Relief Toy	Nikki0082	Realistic hole-filled cheese appearance brings vivid food simulation effect for this decompression fidget toy. Soft slow-rebound material offers smooth elastic touch during squeezing and kneading, which effectively releases stress and calms restless moods. Solid cube shape with rounded edges ensures safe play without sharp corners. Compact portable size suits daily carry, acting as lovely desktop ornaments, sensory relief toys and cute small gift options for kids and adults.
	Labubu Squishy Stress Relief Toy	Nikki0083	Diverse bright color matching options enrich this popular Labubu figure fidget toy with delicate printed cartoon patterns on the body. Soft slow-rebound material creates a satisfying tactile experience when squeezed, effectively releasing daily pressure and anxiety. Every toy is separately wrapped in mesh storage bags with built-in hanging cords

Transformable Silicone Twisty Fidget Rope Toy	Nikki0084	Made of soft transparent silicone, this flexible deformation toy can be freely twisted, bent and combined into various unique shapes to exercise spatial imagination. It comes with luminous effect and a variety of fresh gradient color options. Smooth burr-free surface ensures safe hand contact, effectively easing irritability and distracting anxiety for students and office workers.
